Dear Charitable Contribution Director:

**We are encouraged by your investment** and thank you for supporting RAMP and the individuals with disabilities we work with to achieve their goals.

**Thank you for your contribution of the \$600 as your donation received 12/11/2019 as support of our operating expenses.** RAMP is a 501(c)(3) nonprofit organization. Your contribution is tax-deductible to the extent allowed by law. No goods or services were provided in exchange for your generous financial donation. You may retain this letter as evidence of receipt of your donation.

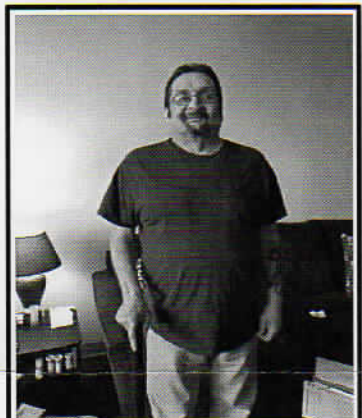

RAMP takes a creative approach to find resources and opportunities available to team up with individuals with disabilities to access the community where we live, work and play. We have this knowledge because the majority of our staff and board of directors have disabilities. RAMP staff meets individuals with disabilities where they are at and together as a team we take them where they want to go. RAMP also advocates for the implementation of current laws, promotion of needed legislation and improvement of existing systems for people with disabilities while working to diminish negative attitudes that threaten to impede equal access.

We love what we do, and thank you for helping us fulfill our mission to **build an inclusive community that encourages individuals with disabilities to reach their full potential.**

Best Regards,

Julie Bosma

Joseph was in a nursing home for about 1 year due to severe COPD and breathing issues. He went to a nursing home after a brief hospital stay and while there, he lost his apartment. He did not have a way back into the community. With the help of RAMP and our Community Reintegration program, he is now living on his own. He enjoys being able to go where and when he wants in the community!
